

# CO-OP Network Shared Branches and ATMs

We're headquartered in the Metro Detroit area, but our reach is nationwide! When you're away from home there are more convenient ways to access your Motor City account.

## Shared Branches

There are 5,600 Shared Branches throughout America, giving you a network with thousands of convenient locations to perform transactions just as though you were in our branch.

Simply let the teller know you're a Motor City Co-op Credit Union member, and provide your name, account number and valid government-issued photo ID. They can help you with these transactions:

- Review your Motor City account balances
- Deposit cash and checks
- Cash withdrawals
- Make loan payments
- Cash advances from Motor City's credit card
- Transfer funds between accounts

Depending on the Shared Branch, other services may be available.

- Money orders
- Gift cards
- Cashier's checks

You'll pay the same fee the Shared Branch charges its own members.

## CO-OP Network ATMs

There are 30,000 surcharge free CO-OP Network ATMs nationwide that make it the largest network in the country.

### You can:
