ELECTRONIC FUNDS TRANSFER AGREEMENT AND DISCLOSURE

This Electronic Funds Transfer Agreement is the contract which covers your and our rights and responsibilities concerning the electronic funds transfer ("EFT") services offered to you by Motor City Co-op Credit Union ("Credit Union"). In this Agreement, the words "you" and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one or more savings and checking accounts you have with the Credit Union. Electronic funds transfers are electronically initiated transfers of money from your account through the electronic funds transfer services described below. By signing an application or account card for EFT services, signing your Card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered.

1. EFT Services. If approved, you may conduct any one or more of the EFT services offered by the Credit Union.

a. Automatic Teller Card. If approved, you may use your Card and PIN (Personal Identification Number) in automated teller machines of the Credit Union, NYCE, Maestro, STAR, CO-OP Network, Cirrus Networks, and such other machines or facilities as the Credit Union may designate. - Access your Line-of-Credit account.
- Make POS (Point-of-Sale) transactions with your Card and PIN (Personal Identification Number) to purchase goods or services at POS terminals that carry NYCE, Maestro, STAR, CO-OP Network, Cirrus Network logo(s).

The following limitations on the frequency and amount of ATM transactions may apply:

- There is no limit on the number of cash withdrawals you may make in any one day.

- For security purposes, there are other limits on the frequency and amount of transfers available at ATMs.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.

Because of the servicing schedule and processing time required in ATM operations, there may be a delay between the time a deposit (either cash or check) is made and when it will be available for withdrawal.

b. MasterMoney Debit card. You may use your Card to purchase goods and services from participating merchants. You agree that you will not use your Card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your Card purchases will be deducted from your checking account. If the balance in your account is not sufficient to pay the transaction amount, the credit union will pay the amount and treat the transaction as a request to transfer funds from other deposit accounts or your approved Line-of-Credit account that you have established with the Credit Union. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your Card and PIN (Personal Identification Number) in automated teller machines of the Credit Union, NYCE, Maestro, STAR, CO-OP Network, Cirrus Networks, and such other machines or facilities as the Credit Union may designate. - Order goods or services by Internet, mail or telephone from places that accept MasterCard.

The following limitations on the frequency and amount of MasterMoney Debit Card transactions may apply:

- There is no limit on the number of MasterMoney Debit card purchases you make per day.
 - Purchase amounts are limited to the amount in your account.
 - There is no limit to the number of cash withdrawals you may make in any one day from an ATM machine.

 - When you perform signature-based transactions (when you DON'T type in your PIN) with your Motor City Co-op Credit Union Debit Card, the amount of the transaction will be held from the balance on your account until the authorized amount actually posts. The hold will automatically be removed by the matching debit transaction or within two business days.
 - See Section 2 for transfer limitations that may apply to these transactions.
- c. Audio Response. Speedy Line Audio Response access service will be issued for your accounts. A separate PIN (Personal Identification Number) will be assigned to you. You must use your PIN (Personal Identification Number) along with your account number to access your accounts. At the present time you may use the Speedy Line to:

Your accounts can be accessed under the Speedy Line via a touch tone telephone only. Speedy Line service will be available for your convenience twenty-four (24) hours per day. This service may be interrupted for a short time each day for data processing.

- There is no limit to the number of inquiries or transfers you may make in any one day.
- See Section 2 for transfer limitations that may apply to these transactions.

The Credit Union reserves the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction, and there may be limits on the duration of each telephone call.

d. Preauthorized EFTs.

- Direct Deposit. Upon instruction of (i) your employer or (ii) the Treasury Department or (iii) other financial institutions, the Credit Union will accept direct deposits of your paycheck or of federal recurring payments, such as Social Security, to your savings and/or checking account.
 - Preauthorized Debits. Upon instruction, we will pay certain recurring transactions from your savings and checking account.
 - See Section 2 for transfer limitations that may apply to these transactions.
 - Stop Payment Rights. If you have arranged in advance to make regular electronic fund transfers out of your account(s) for money you owe others, you may stop payment of preauthorized transfers from your account. You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within fourteen (14) days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding fourteen (14) days after it has been made.
 - Notice of Varying Amounts. If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.
 - Liability for Failure to Stop Payment of Preauthorized Transfers. If you order us to stop payment of a preauthorized transfer three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.
- e. Electronic Check Conversion/Electronic Returned Check Fees. If you pay for something with a check you may authorize your check to be converted to an electronic fund transfer. You may also authorize merchants to electronically debit your account for returned check fees. You are considered to have authorized these electronic funds transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.
- f. Web Branch Electronic/PC EFTs. If we approve the Web Branch for your accounts, a separate PIN (Personal Identification Number) will be assigned to you. You must use your PIN (Personal Identification Number) along with your account number to access your accounts. At the present time, you may use the Web Branch to:
- Transfer funds from your savings, checking, Money Management, Money Market and vacation accounts.
 - Obtain balance information for your savings, checking and loan accounts.
 - Make loan payments from your savings and checking accounts.

Your accounts can be accessed under the Web Branch via personal computer. Web Branch will be available for your convenience twenty-four (24) hours per day. This service may be interrupted for a short time each day for data processing. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required

balance, or otherwise require us to increase our required reserve on the account. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction, and there may be limits on the duration of each access.

- There is no limit to the number of inquiries or transfers you may make in any one day.
 - Unlimited transfers within same account number.
 - See Section 2 for transfer limitations that may apply to these transactions.
- g. **Bill Payment.** We will process bill payment transfer requests only to those creditors the Credit Union has designated in the User Instructions and such creditors as you authorize and for whom the Credit Union has the proper vendor code number. We will not process any bill payment transfer if the required transaction information is incomplete.

We will withdraw the designated funds from your checking account for bill payment transfer by the designated cut-off time on the date you schedule for payment. We will process your bill payment transfer within a designated number of days before the date you are scheduled for payment. You must allow sufficient time for vendors to process your payment after they receive a transfer from us. Please leave as much time as though you were sending your payment by mail. We cannot guarantee the time that any payment will be credited to your account by the vendor.

- There is no limit on the number of bill payments per day.

2. Transfer Limitations. For all Savings, Money Market, Vacation, and Money Management accounts, no more than six (6) preauthorized, automatic, telephone, or Internet transfers and withdrawals may be made from each account to another account of yours or to a third party in any month, and no more than three (3) of these six (6) may be made by check, or access card to a third party. If you exceed these limitations, your account may be subject to a fee or be closed.

3. Conditions of EFT Services.

- a. **Ownership of Cards.** Any Card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the Card, immediately according to instructions. The Card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your Card or account to another person.
- b. **Honoring the Card.** Neither we nor merchants authorized to honor the Card will be responsible for the failure or refusal to honor the Card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.
- c. **Foreign Transactions.**
MasterCard. If you effect a transaction with your MasterCard card in a currency other than U.S. dollars, MasterCard International Incorporated will convert the charge into a U.S. dollar amount. MasterCard's currency conversion procedure includes use of either a government mandated exchange rate, or a wholesale exchange rate selected by MasterCard, and the rate MasterCard uses for a particular transaction is a rate selected by MasterCard for the applicable currency on the day the transaction is processed, which may differ from the rate applicable on the date the transaction occurred or the date on which the transaction is posted to the cardholders account.

Foreign transactions are subject to a fee by the issuer of up to 1% of the transaction amount in U.S. dollars for conversion and/or processing, and include any transaction where the merchant country is different than the country of the card issuer, regardless of whether currency conversion is performed.

- d. **Security of Access Code.** You may use one or more access codes with your electronic funds transfers. The access codes issued to you are for your security purposes. Any codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the Card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.
- e. **Joint Accounts.** If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any savings and checking or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and hereby is authorized by every other joint account owner to, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

4. Fees and Charges. There are certain fees and charges for electronic funds transfer services. For a current listing of all applicable fees, see our current Fee Schedule that was provided to you at the time you applied for or requested these electronic services. From time to time, the charges may be changed. We will notify you as required by applicable law.

If you use an ATM not owned or operated by us, you may be charged a fee by the ATM operator and by any national, regional, or local Network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer). The ATM surcharge will be debited from your account if you elect to complete the transaction or continue with the balance inquiry.

5. Member Liability. You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit someone else to use an EFT service, your Card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts. However, TELL US AT ONCE if you believe your Card and/or access code has been lost or stolen or if you believe someone has used your Card or access code or otherwise accessed your accounts without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum line of credit).

You will not be held responsible for unauthorized transactions made with your credit union-issued MasterMoney Debit Card if you exercise reasonable care in safeguarding the card from risk of loss or theft and, upon becoming aware, promptly report the loss or theft to the credit union. Under Regulation E, you could have up to \$500 liability if the loss is not reported within two days of discovery. You may have unlimited liability if you do not report unauthorized transactions within 60 days of it being reported on a periodic statement.

For all other EFT transactions involving access devices, including transactions conducted at ATMs, your liability for unauthorized transactions is determined as follows. If you tell us within two (2) business days, you can lose no more than \$50 if someone used your Card or code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your Card or code, and we can prove that we could have stopped someone from using your Card or code without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not receive any money lost after the sixty (60) days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods. If you believe your MasterMoney Debit card or ATM has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call:

Fax: (586) 228-8982

6. Right to Receive Documentation.

- a. Periodic Statements. Transfers and withdrawals made through any ATM or POS terminal, MasterMoney Debit card transactions, Speedy Line transactions, preauthorized EFTs, electronic/PC transactions or bill payments you make will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least annually.
- b. Terminal Receipt. You will get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM, POS terminal, or MasterMoney Debit card transaction with a participating merchant.
- c. Direct Deposit. If you have arranged to have a direct deposit made to your account at least once every sixty (60) days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling (800) 328-8051. This does not apply to transactions occurring outside the United States.

7. Account Information Disclosure. We will disclose information to third parties about your account or the transfers you make:

- As necessary to verify or complete a transaction;
- To verify the existence of your account upon the request of a third party;

- To comply with government agency or court orders; or
- If you give us your written permission.

8. Business Days. Our business days are Monday through Friday, excluding holidays.

9. Credit Union Liability for Failure to Make Transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events:

- If, through no fault of ours, there is not enough money in your accounts to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy, or if the transaction involves a loan request exceeding your credit limit.
- If you used your Card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the ATM was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.
- If funds in your account are pledged as collateral or frozen because of a delinquent loan.
- If the error was caused by a system of any participating ATM Network.
- If the electronic transfer is not completed as a result of your willful or negligent use of your Card, access code, or any EFT facility for making such transfers.
- If the telephone or computer equipment you use to conduct audio response or electronic/PC transactions is not working properly and you know or should have known about the breakdown when you started the transaction.

- If you have bill payment services, we can only confirm the amount, the participating merchant, and date of the bill payment transfer made by the Credit Union. For any other error or question you have involving the billing statement of the participating merchant, you must contact the merchant directly. We are not responsible for investigating such errors.
- Any other exceptions as established by the Credit Union.

10. Notices. All notices from us will be effective when we have mailed them or delivered them to your last known address in the Credit Union's records. Notices from you will be effective when received by the Credit Union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty-one (21) days before the effective date of any change. Use of this service is subject to existing regulations governing the Credit Union account and any future changes to those regulations.

The following information is a list of safety precautions regarding the use of Automated Teller Machines (ATM) and Night Deposit Facilities.

- Be aware of your surroundings, particularly at night.
- Consider having someone accompany you when the ATM or night deposit facility is used after dark.
- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction.
- Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your money in your purse or wallet. Count the cash later in the safety of your car or home.
- If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your Card or deposit envelope, and leave.
- If you are followed after making a transaction, go to the nearest public area where people are located.
- Do not write your PIN (Personal Identification Number) or code on your ATM Card.
- Report all crimes to law enforcement officials immediately.

11. Billing Errors. In case of errors or questions about electronic funds transfers from your savings and checking accounts, telephone us at the following number or send us a written notice to the following address as soon as you can. We must hear from you no later than sixty (60) days after we sent the first statement on which the problem appears. Call us at:

(800) 328-8051
 Fax: (586) 228-8982

or write to:

Motor City Co-op Credit Union
 37321 Garfield Road
 Clinton Township, MI 48036-2052

- Tell us your name and account number.
- Describe the electronic transfer you are unsure about, and explain as clearly as you can why you believe the Credit Union has made an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within fourteen (14) calendar days. If we ask you to put your complaint or question in writing and we do not receive it within fourteen (14) calendar days, we may not recredit your account.

We will tell you the results of our investigation in writing within ten (10) business days after we hear from you and we will provisionally correct the error promptly or if the correction is in an amount different than the alleged error we will explain the reason for the difference. We may take up to sixty (60) days to investigate your inquiry. Our provisional credit to your account within ten (10) business days for the amount you think is in error, allows you the use of the money during the time it takes us to complete our investigation.

We will tell you the results within three (3) business days of completing our investigation. If we decide that an error did not occur, we will send you a written explanation and we may charge back the corrected amount to your account within sixty (60) days of our notice to you. If you request, we will provide you copies of documents (to the extent possible without violating other members' rights to privacy) relied upon to conclude that the error did not occur.

12. Reversal of Transaction. We will reverse and recredit to your account an electronic fund transfer initiated by you for the purchase of goods or services from a third party if you dispute the purchase of goods or services of \$50.00 or more. You must notify us within four (4) calendar days of the transaction that you have made a good faith attempt to resolve the dispute with the merchant, that you have returned or attempted to return the goods or services and that you request a reversal of the transaction.

If your request is oral, we may require that you verify the request in writing within fourteen (14) calendar days following oral notice. If you do not provide us with written verification we may reinstate the original transaction amount.

13. Termination of EFT Services. You may terminate this Agreement or any EFT service under this Agreement at any time by notifying us in writing and stopping your use of your Card and any access code. You must return all Cards to the Credit Union. You also agree to notify any participating merchants that authority to make bill payment transfers has been revoked. We may also terminate this Agreement at any time by notifying you orally or in writing. If we terminate this Agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this Agreement has been terminated and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your Card or access code for any EFT service. Whether you or the Credit Union terminates this Agreement, the termination shall not affect your obligations under this Agreement for any EFTs made prior to termination.

14. Governing Law. This Agreement is governed by the Bylaws of the Credit Union, federal laws and regulations, the laws and regulations of the state of Michigan and local clearinghouse rules, as amended from time to time. Any disputes regarding this Agreement shall be subject to the jurisdiction of the court of the county in which the Credit Union is located. You authorize us to deduct any such loss, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgement collection actions.
